Subject: **SPREP Website**

Dear Partners/Stakeholders,

SPREP is undergoing a major overhaul of its website with a view to improving its functionality and appearance, whilst at the same time meeting the needs of users and enabling SPREP to achieve its strategic goals and mandate.

The attached questionnaire is an initial step in the information gathering process which is now being undertaken by our IT Department. This process will continue for the next few months with the anticipation that a prototype will be ready in September in time for the SPREP annual meeting.

We value your contribution and would appreciate it very much if you could kindly provide the required information by completing the questionnaire.

We would be grateful if you could send the completed questionnaire by **27th May 2011** to SPREP IT Manager – Mr Kapeni Matatia – kapenim@sprep.org

Thank you for cooperation and support

Yours sincerely,

Kosi Latu
