Subject: **Final report: Pacific Climate Change Roundtable (PCCR)**
Niue, 14-17 March 2011

Dear Focal Points,

Please find attached the final report from the Pacific Climate Change Roundtable held in Alofi, Niue from 14-17 March 2011. A draft copy was circulated to participants for comments after the Roundtable and these have been taken into account in this report.

SPREP will also circulate the report to all Roundtable participants and post it on our website.

I would like to thank the Government of Niue for hosting such a successful Roundtable and for the excellent host country arrangements. We have also extended a separate message of gratitude to the generous sponsors of the Roundtable: Switzerland, Australia and the PACC and PIGGAREP projects.

SPREP will also work with Members, Partners, CROP Agencies and others, to ensure effective follow up to the recommendations of the Roundtable.

Yours sincerely,

David Sheppard
Director
