Multipartite Review Meeting for the
Pacific Adaptation Climate Change Project

8-12 August 2011, Port Vila, Vanuatu

The objectives of the MPR are as follows:

- Discuss the 2010 Annual Project Report (APR) of the Regional Project Management Unit;
- Review the PACC progress and discuss policy, technical and operational issues and recommendations for the decision of the MPR participants;
- Share experience and lessons learnt for the policy and demo implementation processes
- Appoint new members to the PACC Project Board and hold its first meeting for 2011; and
- Revisit and reaffirm partnership and support processes. Discuss on the implementation of the additional funds provided by AusAid (PACC+ Partnership)
- Provide technical training on adaptation implementation and knowledge management
