Subject: **Letter of Introduction – AFD Regional Solid Waste Management Initiative**

Dear SPREP Members and Partners,

I am pleased to advise you that the Technical Assistance (TA) for the Implementation of the Agence Française de Développement (AFD) Regional Solid Waste Management Initiative has commenced. This 1 Million Euro Initiative will deliver technical training in solid waste management and a used oil management programme across the Pacific islands according to the attached Project Summary.

This initiative is a direct response to SPREP Member requests that SPREP increase its activities in Pacific countries on waste management.

The AFD Technical assistance will be provided by the company HYDEA Srl and will be led by their Team Leader Mr. Stan Ebelewicz, his main contact point within SPREP is:

Stan Ebelewicz
