SUBJECT: **The Strategic Designing of Method of Integrating Renewable Energy into the Tongan Education Curriculum through development of Renewable Energy Resource Guidebook**

Dear All,

Attached please find self explanatory advertisement for the above consultancy to strategically design a method to integrate renewable energy into the Tongan Education Curriculum through the development of Renewable Energy Resource Guidebook.

This consultancy will be funded by the GEF through the Pacific Islands Greenhouse Gas Abatement through Renewable Energy Project (PIGGAREP) implemented by UNDP Multi-Country Office Samoa and executed by SPREP.

Please distribute this to your relevant networks.

Sincerely,

David Sheppard
Director General
