SUBJECT: Staff Announcement

Dear PACC Board Members,

This is to inform you that Taito Nakalevu has resigned from his position as PACC Regional Project Manager at SPREP due to family reasons. He has also successfully secured a job with SPC-SOPAC. Taito has done an excellent job for PACC and for SPREP for over the last six years and we wish him and his family all the best for the future. I'm sure you will also have the opportunity to work with Taito in his new position.

PACC will continue in its final year and your contacts are Peniamina Leavai, and Netatua Pelesikoti, Director of the Climate Change Division. They are no strangers to you as they have closely supported Taito in PACC.

Looking forward to your continued support, collaboration and for a successful wrapping up of PACC.

Yours sincerely,

David Sheppard
Director General
