SUBJECT: PACC Monitoring and Evaluation Workshop

Dear Focal Points,

As you are aware this year is the final year for the PACC and PACC + projects and thus it is important to hold the above mentioned workshop as a precursor to the final project reporting, preparing the project coordinators for the project's terminal evaluation; and aligning the project with its Project Document milestones and deliverables.

As such PACC Country coordinators are required to attend this PACC Monitoring & Evaluation (M&E) Workshop to be held in Apia at SPREP from the 7 - 11th April 2014. The PACC coordinators are asked to fill in the following registration form and send it to Theresa Fruean at theresaf@sprep.org no later than 22nd March 2014.

Yours sincerely,

David Sheppard
Director General
