Attachment 3: CONFIRMED SIDE EVENTS AT SIDS CONFERENCE VENUE WITH SPREP INVOLVEMENT

	Event Name	Brief Description	SPREP Contact	Lead organiser	SPREP Role	Other Partners	Confirmed Date, Time, Event #
1.	Establishment and Launch of the SIDS Sustainable Energy Partnership	*Presentation on how SIDS Dock will work for sustainable energy in SIDS and how development partners, funding institutions and expert agencies can support these efforts. The partnership will encompass SIDS regions efforts to work with the global Sustainable Energy For All initiative. Case studies from all three regions will be presented, as well as a special case study on sustainable sea transport.*	*Espen Ronneberg* EspenR@sprep.org	*SPREP*	Lead Organiser	*SIDS-DOCK* *SPC* *IUCN* *PPA* *UNDP* *IETC*	*3 September 17:00-18:30 #62*
2.	Weather and Climate Services in SIDS	*Targeting a high level audience, this event will raise awareness of how weather and climate services are linked and profile the role of effective national meteorological services in providing climate services in small island states.*	*Salesa Nihmei* SalesaN@sprep.org	*WMO lead*	Co-organiser/key partner	*WMO* *NMS*	*2 September 19:00-20:30 #38*
3.	Building Pacific Resilience – The Integrated Strategy for Climate and Disaster Resilient Development in the Pacific (SRDP)	The event will share Pacific progress in the development of an integrated Strategy for Climate and Disaster Resilient Development (SRDP). The side event will also provide the opportunity to showcase a proposed regional institutional arrangement, the Pacific Resilience Partnership, which is intended to provide an umbrella consultative mechanism at the regional level to support Climate Change and Disaster Risk Management.	Tagaloa Cooper TagaloaC@sprep.org	Government of Tonga	Co-organiser Panellists or Moderator	UN Agencies CROP/SPC	*2 September, 11:00-12:30 #144*
4.	International cooperation on climate change data and information management. ICLIM & Pacific CC	The effective management of climate change data and information is critical for supporting decision-maker, researchers and practitioners to identify the data and information they require for climate change adaptation and resilience planning. Although this concept is well known, SIDS members could benefit	Makelesi Gonelevu MakelesiG@sprep.org	Govt of Vanuatu	Co-organiser	SPREP Griffith SPC GIZ USP	2 September 11:00-12:30 #41

	Portal	from greater guidance on strategies that enhance the discovery, accessibility and useability of key climate change data and information.					
5.	Choiseul Integrated Climate Change Programme (CHICCHAP) EBA	Tba -	Stuart Chape StuartC@sprep.org Carlo Iacovino CarloI@sprep.org	Solomon Islands		GIZ Solomon Islands USAID	1 September 15:00 – 16:30 #27
6.	Our Sea of Islands, Our Livelihoods, Our Oceania: Launch of the Pacific Ocean Alliance	To launch and highlight the Pacific Ocean Alliance as a means of coordinating an integrated and partnership-based approach to implementing Pacifi Ocean Policy	Sefanaia Nawadra sefanaian@sprep.org	PIFS			1 September 13:00-14:30 #91
7.	Prevent, Prepare, and Respond: Displacement in the context of disasters and the effects of climate change	The event will review challenges and opportunities for SIDS looking at opportunities for preventing displacement, addressing the protection needs of displaced people, and discussing voluntary migration and the appropriateness of planned relocation as an adaptation measure to strengthen community resilience. It will also introduce the Norwegian and Swiss-led Nansen Initiative, a consultative process seeking to develop a protection agenda on cross-border displacement in disaster contexts.	Ewan Cameron EwanC@sprep.org	Nansen Initiative/Govt of Norway	Co-organiser	Governments of Norway, Switzerland, Kiribati, UN OCHA , IFCR, Pacific Conference of Churches	1 September 15:00 – 16:30 #68
8.	Climate Diplomacy– foreign policy challenges in the context of climate change in the Pacific Islands region	By bringing together foreign policy makers and experts from the region, this side event will explore foreign policy perspectives on climate change in the Pacific Islands region in its economic, social and environmental dimensions.	Netatua Pelesikoti NetatuaP@sprep.org	Adelphi (Berlin)	Speaker/co-organiser	PACE-SD (USP), PM of Tv, Ki tbc IPCC Chair	3 September 17:00-18:30 #66
9.	Coping with and adapting to ocean threats for resilient SIDS communities	The event will focus on: sea level rise, tsunami and ocean acidification.	Denis Chang Seng *UNESCO	IOC	Speaker (Netatua)	IOC Australia Bureau of Met *others*	1 September 17:00-18:30 #61
10.	The Last Straw – Preventing our Oceans	The side event will present good practices and initiatives of SIDS, such	Anama Solofa anamas@sprep.org	UNEP	Speaker	SPREP Government	2 September 2014; 15.00-16.30

	from becoming Dumps	as Samoa, to reduce and manage the influx of waste into the marine environment from land-based and sea-based sources, It will showcase solutions and ongoing activities of the Global Partnership on Marine Litter, and will prepare recommendations for the way forward.				of Samoa GPML FAO IMO	#108
11.	SIDS Pathway to Green Economy	The side event will present good practices and initiatives of SIDS on Green Economy, will highlight available partnerships to promote Green Economy approaches, and will prepare recommendations for the way forward.	Anama Solofa anamas@sprep.org	UNEP	Speaker	UN-ESCAP PIDF SPREP Partnership for Action on Green Economy (PAGE)	2 September 13:00-14:30 #107
