ANNEX 1

Draft *Clean Pacific* Workshop Agenda

13th – 17th February 2012
Nadi, Fiji

Objective: To familiarize participants with practical measures to improve waste management and control pollution

Preparation: Participants will be asked to prepare an assignment before coming to the workshop. The details of this assignment will be advised in due course.

Methods: The workshop will be a combination of classroom lectures, and site visits. Online access (Skype, etc.) to classroom sessions may tentatively be available for interested remote participants if it can be arranged.

Day	Topic	Resource persons
