CLEAN PACIFIC 2012

The Pacific environment, sustaining our livelihoods and natural heritage in harmony with our cultures.

CIRCULAR

FILE: SPREP 1/3/4
DATE: 16 March 2012
CIRCULAR: 12/21

TO: SPREP National Focal Points

SUBJECT: TOR for Consultant – Sub-regional Presence of SPREP in the Region

Dear Members,

As you will recall, the Secretariat is in the early stages of the process of engaging a consultant to fully examine the options to strengthen regional linkages and had sought comments and feedback from Members on the Terms of Reference for the consultant who will conduct a Cost Benefit Analysis of the available options for establishing a sub-regional presence.

I am pleased to provide attached to this Circular the Terms of Reference for the consultant based on the helpful feedback provided by Members.

As we move to advertise the consultancy, I would be grateful if you would forward and disseminate interested candidates in your networks.

I look forward to updating Members on the process in due course.

Kind regards,

Kosi Latu
Acting Director General
