Dear Members,

I am pleased to attach the Revised Provisional Agenda and the Working Documents for the 23rd SPREP Meeting for your information. We will send through the rest of the working documents as soon as available.

The late papers are:

- WP 6.1 – Strengthening Regional Linkages; and
- WP 9.6 – 2013 Work Programme and Budget;

All working papers have also being transmitted to the official institutional and collaborating focal points electronically. Additionally, the working papers have been posted on our website: www.sprep.org. Members and collaborating institutions can immediately access and download copies of the working papers. There are also a few information and background papers which are not listed as agenda items but are being made available to Members for their information. Also attached is the latest schedule of side events.

May I also again take this opportunity to remind and urge all members who have not informed us of the details of their delegation and accommodation preferences to do so as soon as possible to avoid any inconvenience.

Looking forward to seeing you all in Noumea!

Yours sincerely,

David Sheppard
