SUBJECT: **5th Multi-Partite Review (MPR) Meeting/ 10th and 11th Project Board Meetings of the Pacific Adaptation to Climate Change Project (PACC)**
28th July - 1st August 2014, Tanoa International Hotel, Nadi Fiji

Dear Focal Points,

I have the pleasure to inform you that the Pacific's Regional Climate Change Adaptation Project, PACC, will hold its 5th and final Multi Partite Review (MPR) meeting in the abovementioned time and place. The meeting, held once a year, is the highest policy level meeting of the parties directly involved in the implementation of the project.

Noting the closure of the PACC and PACC+ project at the end of this year, the aim of this 5th and final Multi Partite Review meeting is to present, discuss and review the development objectives, implementation progress and results of the program both at the regional level and at the national level (with 14 national level projects). The issues and recommendations that will be raised as a result of the interventions of this meeting will be moved to the PACC Board for the decisions.

The PACC will hold its 10th meeting of the Board prior to the MPR. Following the completion of the MPR, the Board will reconvene for its 11th meeting.

Given the above, I wish to request the nomination of participant(s) to this meeting. For all 14 participating PACC countries, we require the presence of PACC National Project Coordinators and Focal Person who represents the PACC Board.

We hope that you can provide confirmation of your attendance through the registration forms attached and sent through to Ms Sela Simamao (selas@sprep.org) by the 27th of June 2014 so that the necessary arrangements can commence accordingly.
A detailed agenda will be circulated with information on travel and logistical arrangements.

SPREP wishes to take this opportunity to thank you in advance for your kind consideration and support of the PACC project.

Sincerely,

David Sheppard
Director General
