The Pacific environment, sustaining our livelihoods and natural heritage in harmony with our cultures.

Natural Solutions for Island Resilience

CIRCULAR

FILE: MTG 1/8 **TO:** SPREP National Focal Points

DATE: 5 December 2014

CIRCULAR: 14/99

SUBJECT: **Friends' of the Chair on SPREP Membership Contributions**

Dear SPREP Members,

Further to Circular 14/91 I would like to advise that the Friends' of the Chair on SPREP Membership Contributions meeting will be held during the week commencing January 26, 2015.

The 25th SPREP Meeting established a Friends' of the Chair group consisting of Australia, Fiji, France, French Polynesia, New Zealand, Samoa, Tokelau, United Kingdom, and United States to provide additional guidance.

An agenda and back ground documentation will be circulated to members closer to the date. It would be appreciated if members of the Friends' of the Chair Group could kindly confirm their availability to Ms. Audrey Brown-Pereira audreyp@sprep.org.

As noted in earlier advice, regretfully there is no funding to support SPREP Members attendance at this meeting. Those members who will not be able to attend in person would be welcome to join by way of teleconference. If your country would like to participate in the teleconference meeting, please advise Audrey by email.

Kind regards,

David Sheppard
Director General
