Subject: **Provisional Agenda for the Twenty-Sixth SPREP Meeting (26SM) in Apia, Samoa, 22nd – 24th September 2015**

Dear Members,

Further to Circular No. 15/14 dated 2 March 2015, please find attached the Provisional Agenda for the 26thSPREP Meeting.

To assist with the finalisation of the Agenda, the Secretariat would appreciate inputs and comments from your Government on any key issues to be included. As in previous years, Members may wish to propose and present papers under agenda 11. Members are also encouraged to be actively involved in side events during the meeting. A schedule and a note on the arrangements for side events will be sent out soon.

In line with previous SPREP Meetings, the Secretariat will send all meeting papers electronically to all Members as a measure of good environmental practice.

Members who wish to propose agenda items together with appropriate working or background papers, must submit these to the Secretariat by 30 June 2015.

The Pacific Environment Forum (PEF) will preceded the SPREP Meeting on Monday, 21st September. This will focus on COP21 UNFCCC and/or Green Climate Fund.

Thank you for your kind cooperation.

Yours sincerely,

Kosi Latu
Acting Director General
