Dear Focal Points

It has been brought to our attention that the names, contact numbers and email addresses of some of you may have changed over the recent months. We would appreciate if you would kindly advise us of any changes so that we can update our Focal Point Lists accordingly.

To expedite this process of updating our contact records, we enclose a copy of the SPREP Focal Point List pertaining to your government or organization. Please inform us of any change through typewritten revisions to accurately reflect Names, Titles, Addresses, Telephones, Fax Numbers and Email Addresses and return the same to us as soon as possible by fax or email.

In anticipation of your usual cooperation on this matter.

Yours Sincerely

Clark Peteru
