CROP Organisations
SPREP Partner Organisations

SUBJECT: **Introducing the following:**

SPREP is pleased to announce the following appointment within the Secretariat:

- Ms.Tagaloa Cooper-Halo, Climate Change Institutional Strengthening Adviser (CCISA)

Ms. Tagaloa Cooper – Halo has been appointed to the position of Climate Change Institutional Strengthening Adviser (CCISA). Tagaloa is no stranger to SPREP having worked within the Climate Change Division as the Climate Change Coordination Adviser over the last three years. A national of Niue, she started in her new role on Monday, 22 August 2016. Her husband and two children join her in Apia for the duration of her contract.

The CCISA post exists to provide direct climate change policy and technical support to Pacific Island Countries including the development and implementation of strategies, tools and content for training, communications, and outreach and knowledge management targeted for a range of audiences.

This position is part of the USAid Institutional Strengthening of Pacific Island Countries to Adapt to Climate Change (ISACC) Project under the Letter of Agreement signed between SPREP and the Secretariat of the Pacific Community (SPC).

We congratulate Tagaloa on her new appointment. We look forward to this position increasing and strengthening relevant support and services to the region.

Yours sincerely,

Roger Cornforth
Acting Director General
