DATE: 21 August 2017
CIRCULAR: 17/42

TO: SPREP National Focal Points
CROP Organisations
SPREP Partner Organisations

SUBJECT: Introducing the following:

SPREP is pleased to announce the following appointment to work with the Secretariat:

- **Mr. Patrick Pringle, Senior Research Associate, Climate Change Strategies**

Mr. Patrick (Paddy) Pringle joins SPREP under a Cooperation Agreement with Climate Analytics gGmbH, Germany. Patrick is a national of England. Under this secondment as a Climate Analytics Consultant, he will be working closely with the Climate Change Division as the Senior Research Associate, Climate Change Strategies, under the framework of the IMPACT project for the next two years. This is an international project funded by the International Climate Initiative (IKI) of the German Federal Ministry for the Environment, Nature Conservation, Building and Nuclear Safety (BMUB) and jointly implemented between Climate Analytics, SPREP and other partners. The project focuses on providing support for the implementation of science-based climate change strategies and improving access to international climate finance, by providing robust methods and analyses as well as through scientific capacity building. This position will provide assistance and technical support to the work of the Climate Change Division.

Paddy started work with the Climate Change Team on 15 August 2017. He is joined in Apia by his wife Katrine and sons Jack and Finn.

We welcome Paddy to the SPREP family and we look forward to this position increasing and strengthening relevant support and services for climate change science to the region.

Yours sincerely,

Roger Cornforth
Acting Director General
