SUBJECT: **Invitation to the 2nd Clean Pacific Roundtable 2018 to be held from the 20th to 22nd of August 2018 in Suva, Fiji**

Dear SPREP Partners,

On behalf of the Secretariat of the Pacific Regional Environment Programme (SPREP), I would like to invite your participation at the 2nd Clean Pacific Roundtable 2018 to be held from 20-25 August, 2018 in Suva, Fiji.

The Clean Pacific Roundtable aims to facilitate waste management and pollution control dialogue and networking in the region. The Roundtable will also provide a forum to share experiences and to disseminate information on new and existing opportunities. It is an important mechanism for the implementation of the Pacific Regional Waste and Pollution Management Strategy 2016-2025 (Cleaner Pacific 2025) which was adopted by the SPREP member countries.

Central to the success of Cleaner Pacific 2025 is a concerted and coordinated approach from waste management stakeholders in the Pacific region. Such an approach will minimise duplication and improve coordination between similar programmes and activities at the national and regional levels.

Please find attached the provisional agenda and the Concept Note for the Clean Pacific Roundtable. For catering and administrative purposes, it would be very much appreciated if you could RSVP with your confirmation on attendance to Ms Ma. Bella Guinto on bellag@sprep.org by **30th June 2018**.

I look forward to receiving your confirmation of attendance at this important and historic event and thank you in advance for your consideration and support. Finer details will be provided closer to the event.

Yours sincerely,

Stuart Chape
Acting Director General
