Climate Change Focal Points

DATE: 4 March 2013

CIRCULAR: 13/17

SUBJECT: Pacific Climate Change Roundtable – Pacific Island Country Nomination

Dear Members,

Further to circular AP 1/1 (22 February 2013) on the Pacific Climate Change Roundtable (PCCR), I would now like to invite focal points from Pacific Island Countries to nominate two representatives to be sponsored by SPREP to attend this event.

We would like to invite the following participants:

a) National Climate Change Focal Points
b) A nomination from a key national sector also working closely on climate change related issues.

Please note that while the PCCR itself will be held in the first week of July (week of 1 – 5 July), directly after this meeting will be a Joint Meeting of the PCCR and Pacific Platform for Disaster Risk Management – which is commonly known as the Pacific Road Map meeting.

SPREP would like to invite the National Climate Change Focal point to stay in Nadi for the duration of BOTH events, and will provide sponsorship to cover both of these meetings.

The second representative, however, will be funded for the duration of the PCCR only.

We would like to invite you to please submit the names of two representatives to attend the PCCR (week of 1 – 5 July), and indicate which of the two names submitted will stay on for the Road Map in the second week (8 – 11 July). Please submit these names on the nomination form attached, no later than Friday April 26th to Joyce Tulua (Joycet@sprep.org).

Yours sincerely,

David Sheppard
Director General
