CLEAN PACIFIC

The Pacific environment, sustaining our livelihoods and natural heritage in harmony with our cultures.

Marine Spatial Planning to Support Sustainable Ocean and Coastal Management of Pacific Islands
26th-28th November, 2013
Suva, Fiji

AND

9th Pacific Islands Conference on Nature Conservation and Protected Areas
2-6 December, 2013
Suva, Fiji

PICT Members Nomination Form to attend these two meetings

Please complete the nomination form to nominate a representative of your government, or an relevant partner, to attend the Marine Spatial Planning to support sustainable ocean and coastal management of Pacific Islands.

Participation will be funded by SPREP through two projects, PACIOCEA (Pacific Ocean Ecosystem Analysis) implemented by AAMP, IRD, IOC UNESCO; and MACBIO (Marine and Coastal Biodiversity Mangement in Pacific Island Countries and Atolls) implemented by GIZ, IUCN and SPREP.

We request identification of staff involved in marine management that would benefit from this opportunity to attend a capacity building and engagement workshop on Marine Spatial Planning as well as the 9th Nature Conservation Conference.

Please return completed nomination form, endorsed by the SPREP focal point, via email to Mrs. Theresa Fruean-Afa theresaf@sprep.org by close of business 30th September, 2013.

For additional information, please contact Tim Carruthers timc@sprep.org in regard to Marine Spatial Planning workshop and Easter Galuvao easterg@sprep.org in relation to the conference.
